

Welcome to the Reign Forest!

We are very excited to have your children as part of this ministry!

We look forward to loving and supporting them as they grow in their relationship with Jesus Christ!

Our goal is to help you as you 'train your child in the way he should go...' (Prov. 22:6).

We are looking forward to the opportunities we will have over the next few months to adjust our ministry and continue to teach children about God's love and plan for their lives.

Please look through this brochure to see the changes we will be making.

We look forward to serving you!

The Reign Forest

**- Where God Reigns
and Children Grow**

*"So then, just as you received
Christ Jesus as Lord, continue to
live in HIM, rooted and built up in Him,
strengthened in faith, as you were taught,
and overflowing with thankfulness."
~ Colossians 2:6-7*

CURRENT CHANGES

During this building transition period, we do our best to give your child the best of care and safety as they spend time in our Sunday morning classes.

Although none of our plans are “set in stone” we will start off by offering classes for all of our children 0—5th grade during each of our services.

Depending on the size of classes we may have to make adjustments. We will do our best to keep you informed through the bulletin, newsletter, and signage.

Beginning March 7th, the Reign Forest will be relocated in the hallway and rooms where the offices are currently. Each classroom will be clearly marked.

We do expect the hallway to be crowded. **Please be prompt in registering, delivering and picking up your child.**

Thank you for your patience as we move into new territory.

CHECKPOINT

Our new automated check-in system, CHECKPOINT, will be implemented March 7th.

During the month of February, the stations will be temporarily set up downstairs in the Reign Forest.

Please **stop by and familiarize yourself with the system**, to help save time and congestion the first few weeks.

When you check your child in each week, you will do so in 1 of 3 ways:

- Last name
- last 4 digits of your phone number
- any form personal id or membership card with a barcode, ie giant eagle card

You will receive a **2-part label**:

Part 1- For you, with your child’s security number.

Part 2—For your child, with their name, class attending, special instructions (ie: allergies), etc.

You will stick the label on your child, then take them to their classroom.

During the service, your child’s security number will appear at the bottom of the screen if you are needed.

At the end of the service:

- Return to classroom to pick up child.
- Show your child’s security tag to teacher.
- Take your child home and have a great day!!! :)
